

COOS COUNTY AREA TRANSIT SERVICE DISTRICT

PUBLIC MEETING NOTICE

WHEN: JUNE 6, 2017 @ 7:00PM

WHERE: BANDON PUBLIC LIBRARY – SPRAGUE ROOM

Coos County Area Transit (CCAT) invites you to attend a Public Meeting in which we are proactively seeking public comment to address potential service changes to the Bandon Dial-A-Ride that will moderate revenue expenditures.

CCAT is facing state and federal funding cuts of over \$53,000 for the next program year, and we are seeking public comment on proposed service cuts and fare increases.

Proposed Changes

In the past, Bandon riders could call dispatch and request a same day ride. We are asking for riders to call (2) days in advance to schedule rides, if no rides are schedule for a certain day we will have the ability to adjust the drivers schedule, causing a reduction in expenses. However, if the rider needs a same day ride we encourage them to call dispatch and if the driver is working that day the ride could still be accommodated.

Another proposed change is rates. CCAT’s service area is the city limits of Bandon. Currently we are providing rides outside of the city limits at no additional charge. We are unable to continue to provide rides outside of city limits without additional compensation for that premium service. In addition, rates for General Public riders and seniors (62 and over) and persons with disabilities will experience a rate increase for all service areas in Coos County.

PROPOSED RATE CHANGES		
BANDON DIAL-A-RIDE	CURRENT	NEW
GENERAL PUBLIC (City Limits)	\$ 2.00	\$ 4.00
SENIORS (62 & OVER)OR DISABLED (City Limits)	\$ 1.50	\$ 2.00
PER MILE FEE OUTSIDE OF CITY LIMITS Transportation will be limited to 8 miles one-way outside of city limits.		\$ 0.50
